

MASON COUNTY ANIMAL ORGANIZATIONS

(501 (c) 3 - dates that IRS Determined tax exempt)

Lakeshore Animal Friends (1992)

Provides spay/neuter certificates to all animals adopted out from Animal Control. Rescues dogs and cats that are housed at Mason County Animal Control (where they have limited time) and puts them into foster homes, taking care of all their medical needs, including spay/neutering.

P.O. Box 503, Ludington, MI 49431 (231-843-1414, 231-845-5550)

Fixing Furry Friends (2001)

Provides certificates to Mason County residents who have dogs and cats to help with some of the cost of spaying and neutering their companion animals.

www.fixingfurryfriends.org P.O. Box 221 Scottville, MI 49454 (231-757-9219)

Community Cats TNR (2012)

Their mission is to reduce and control population growth of free-roaming cats and provide a better quality of life for them. Provides assistance to caregivers who provide food, water and shelter to feral, homeless, and free roaming cats by trapping, neutering, and returning cats for continued care. www.communitycatstnr.org

PO Box 384 Ludington, MI 49431 (231-845-7888, 231-845-9312)

Second Chance Humane Society (2015)

Making Mason County MI a No-Kill community, one cat and dog at a time.

Provides age appropriate vaccinations, worm medicine, flea treatment, spay/neutering, and medical vet care for the animals that are in our foster program before being adopted into forever homes. Rescues **at risk** dogs and cats from Animal Control. Helps abandoned, displaced, and unwanted companion animals when situations arise. www.secondchancehumanesociety.com

P.O. Box 132 Scottville, MI 49454 (231-757-9219)

Mason County Mutts (2015)

Their mission is to make Mason County more dog friendly through community oriented projects, education and animal welfare. www.masoncountymutts.org

P.O. Box 74, Ludington, MI 49431 (231-794-2757)

Mason County Animal Control – government funded

Monday – Tuesday – Friday – Saturday 9am to 12 noon / Wednesday – Thursday 3pm to 6pm

If you find a lost pet, be sure to contact animal control first. This gives you an opportunity to let the appropriate agency know that you have the animal and them with a description, in case the owner contacts them. They can also scan the animal for a microchip or access other information which could help you find the owner right away.
