Millage Renewal Proposal

Shall the Ludington Mass Transportation Authority, County of Mason, Michigan, be authorized to levy a renewal of the previously voted tax increase, which expires in 2020, in an amount not to exceed 1.2267 mills (\$1.2267 on each \$1,000 of taxable value) against all taxable property within the Ludington Mass Transportation Authority limits (the jurisdictional limits of the City of Ludington and the City of Scottville) for a period of five (5) years, 2021 to 2025, inclusive, for the purpose of providing funds for all public transportation authority purposes permitted by law, including all capital and operating expenses? The estimate of the revenue the Ludington Mass Transportation Authority will collect if the millage is approved and levied by the Ludington Mass Transportation Authority in the first year (2021) is approximately \$370,000. A portion of the revenue collected may be subject to capture by the Downtown Development Authority and the Mason County Brownfield Redevelopment Authority.
